3M™ Envision™ Print Film Series 48: versatile and PVC-free.

The Envision Print Film Series 48 is a highly versatile intermediate print film that can be used for the widest range of applications. It combines excellent print quality with amazing ease of installation and removal for graphics used as a promotional media.

Product features at a glance

- 100% printer compatibility
- 3M Controltac™ and Comply™ adhesive technology for slideability and bubble-free installation (48C only)
- Product options include permanent and removable adhesive
- Fire certified for EN13501-1 (Buildings) and EN45545-2 (Transport)

Benefits at a glance

- One product – multiple applications
- Tougher than vinyl and more tolerant to higher temperatures
- High tensile strength means less risk of tear and faster, cleaner removal
- Non-PVC means a greener solution*

Uses

- Vehicle graphics on flat or simple curved areas
- Graphics for walls, glass and doors
- General signage for indoor and outdoor applications

Peace of mind using products that are tested and backed by 3M
