3M™ Hookit™ 325U Blue Multihole 150mm Abrasive Discs and accessories.

The 3M™ Hookit™ 325U Blue Multihole Abrasive Disc range, comprising 11 grades from 80 to 600. Fast cut and long life are coupled with the improved spiral multihole technology, offering superior dust extraction when used with the range of universal back-up pads. The unique multihole configuration allows these discs to be fitted without concerns about hole alignment between abrasive disc and pad.
